Health and Human Services (HHS) Hospital Preparedness Program Round 1 Workshop

For More Information Contact: The HHS Grant Staff 9521 Brookline Avenue Baton Rouge, LA 70809 (225) 927-1228

Workshop Objective:

Your organization is eligible to take part in the HHS Hospital Preparedness Program.

This workshop is hosted by the Department of Health and Hospitals and the Louisiana Hospital Association to help you understand program requirements and how participation in the regional healthcare coalition may benefit your organization.

The same workshop will be offered in all nine regions. Meeting dates, times and locations are listed on this flyer.

Hospitals and EMS providers are encouraged to attend in their home Region, however you may attend the meeting most convenient for your schedule.

Attendance is <u>mandatory</u> in order to receive funds in the FY 2014-2015 grant program.
